**What are needs
and wants?**

Presentation

Imagine what would happen if...

...a family spent
all their money
on toys...

...but couldn't
buy anything else.

Video: What are needs and wants?

**What are needs
and wants?**

What is a **need**?

A **need** is something we must have in order to stay alive.

We **need** food.

We **need** shelter (a home).

We **need** water.

We **need** air.

We **need** clothing (warmth).

Sometimes we **need** medicine, if we're ill.

What is a want?

A **want** is something we would like to have, but we don't need it in order to stay alive.

For example:

We **want** sweets

We **want** a new toy

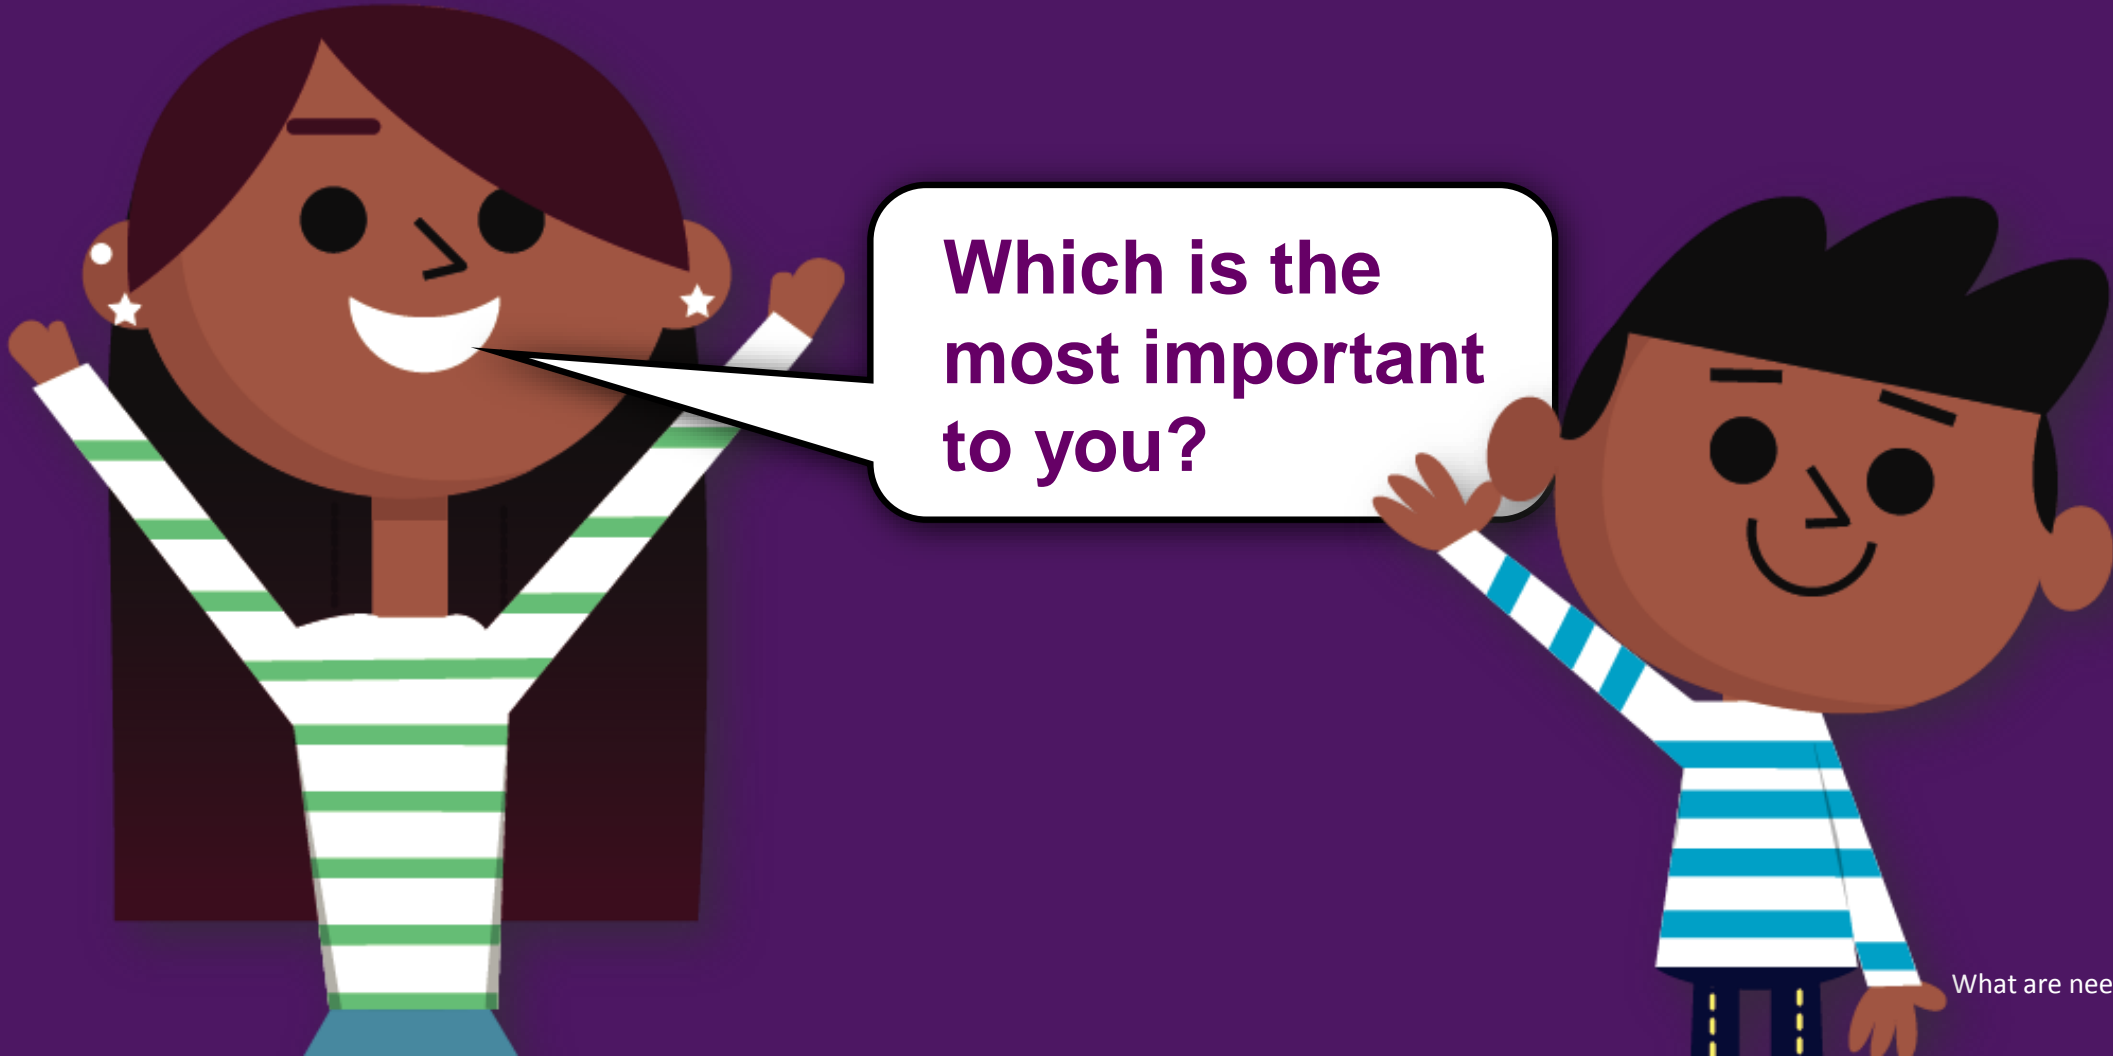

We **want** a television

All of these things are nice to have, but we don't **need** them.

Can you sort the cards into needs and wants?

What are the things that you want?

**What might
the members
of this family
want?**

**Do the things we
want change as
we get older?**
